

FCA Uniform Policy

Dress Code

School is important business and a student's clothing reminds him of its importance. God is glorified when our dress is appropriate for the occasion and free from distracting or offensive extremes; therefore, we have selected basic uniform guidelines for our students. Parents are responsible for sending their children to school correctly dressed and groomed. **Determination of dress code violations will be the responsibility of the Administration.** If a student is found in violation of dress code, a dress code policy form will be sent home for the parent to sign and return. After 3 violations per semester for the same uniform infraction, parents will be called to bring proper attire or pick up their child from school. Any absence or tardies incurred due to uniform infractions would be considered unexcused.
